Extension lecture on: Air Quality Monitoring and Effect of Air pollution on Health

Report

- College has signed an MoU with Society for Indoor Environment. Under this MoU, Dr. Arun Sharma, President Society for Indoor Environment delivered an extension lecture on 10/3/21
- By this lecture students became aware about air quality monitoring devices and weather station installed at college premises.
- They learned that not only the outdoor air but the indoor air is also very much polluted as shown by the reading of indoor air quality monitor.
- Students realised the serious impacts of various pollutants (particulate matter, SO_2 , CO, O_3 , Smog, PAN) on human health.
- 5) students attended the lecture
